3 Things To Scream if you're at the game

1. "Take it to the rack, Raptors! Philly's only got 11 players dressed tonight!"
2. "Hey Andrea, watch your meatballs, Reggie Evans is on the court!"
3. "We want Donny! We want Donny!"

Last Encounter

01/18/08 – Lost 95-91

Willie "Big Willie Style" Green blew the game open with 10 points in the 3rd quarter. Thank god we addressed perimeter defence in the off-season.

Bosh had 25, followed by Juan Dixon with 18 and Jamarion with 17. 'Nuff said.

Fun Facts

Elton Brand's wife made him take the Philly offer to be closer to their family. Somewhere, Jackie Christie's proudly doing a slow clap.

Shavlik Randolph owns an African gray parrot named Clever. Clearly, the Randolphs are better at naming parrots than children.

Louis Williams first dunked as a 5'7" 7th grader. Freak.

The Raptors are better because...

...we don't have Tony Dungy's twin brother as our coach.
