Man all im sayin is that chicks get the bad rap for "trapping" a nigga but in actuality, 9 times out of 10 the nigga wants the chick to get pregnant!! I met him about 2 weeks ago and now he wants me to get pregnant!! Damn homie, can a bitch finish law school first??"

3 Things To Scream if you're at the game

1. "Hey Birdman, how high can you get?"

2. "Samb, take my lighter... 'cause it's your only chance of getting some burn tonight."

3. "Watch out Linas! Triano's waiting in the parking lot!"

Last Encounter

03/23/08 DEN 109 TOR 100

Iverson and 'Melo scorched us for a combined SIXETY FREAKIN' NINE points, on 24-44 shooting. And this was at home. Yikes. Unfortunately, we wasted a solid balanced scoring effort with 7 players in double digits. Of course, Kaponu wasn't one of them.

Fun Facts

If you had to guess the one Nugget player who's "Girl Talk" page didn't have a single comment? Yup, **Chucky Atkins**.

Kenyon Martin has had a s-s-s-stuttering problem his entire life.

Nene has one testicle, but I dare you to make fun of him.

The Raptors are better because...

...you don't need to be scare to ask for an autograph from our players.
