### 3 Things To Scream if you're at the game

1. "Watch out Jersey!  
Hassan Adams is going to show you what you gave up... we hope... eventually..."
2. "Nets winning tonight?  
Fuggedaboutit!"
3. "Since when does Corky from 'Life Goes On' coach the Nets?"

### Last Encounter

11/21/08 TOR 127 NJN 129

Buzzer-beating 3 to send the game to overtime. Buzzer-beating alley-oop to win it. This game stung, doubly agonizing because it was Vince Carter doing the stinging. Vince and Devin Harris combined for 69 points as yet again, the Raptors couldn't defend the penetration.

### Fun Facts

**Yi Jianlian** stood 6'4" before he finished grade school.

**Eduardo Najera's** mother is named is Rosie Perez. This is why he's an expert in "foods that start with the letter 'Q'".

**Stromile Swift** plans to go into real estate when he retires. He might want to start studying for the exam...

**The Raptors are better because...**

...Doug Smith OWNS Dave D'Alessandro at the media buffet.
