Girl Talk

Last Encounter

03/30/08 NOH 188 TOR 111

Not even 8 Raptors in double digits (I know, crazy right?) could counter the three-pronged attack of Peja, West, and CP3, who combined for 77 points to notch their 50th win of the season. Paul also dropped 16 dimes, but what else is new?

3 Things To Scream if you're at the game

1. “Mo, we’ll forget about the herpes thing if you come home!”
2. “Peja, it’s enough already. I’m getting you a razor for Christmas!”
3. “Hey Chris, I have Jan. 15th as the day you’re going to have Byron Scott fired in my office pool. Should I make it sooner?”

New Faces

Fun Facts

Tyson Chandler’s middle name is Cletis, but rumor has it he is in fact NOT a slack-jawed yokel.

James Posey has put on his uniform in exactly the same order before every game of his NBA career.

David West is an avid boxer who spars in the off-season to maintain conditioning.

The Raptors are better because...
...they don’t have Quebec’s flag on the back of their jerseys.
