(.of my heart, my soul, my wishes...all of my love, my hugs, my kisses...everything that means anything at all...all of my life I've spent hopin'...I could give someone this devotion...every sweet memory I can recall...he's got it all) Sorry, I'm being such an over-the-top perv right now. I'll stop. #8 Utah Jazz 4Life!" – Deron Williams

Kosta "Should'a stayed in college" Koufos

Brevin "C.J. Miles' backup" Knight

3 Things To Scream if you're at the game

1. "Hey AK, cheated on your wife yet this year? Better use it up, it's almost 2009!"
2. "Watch out Sloan! Triano's comin' for ya!"
3. "So Deron, how's it feel to not be Chris Paul?"

Last Encounter

03/17/08 UTAH 96 TOR 79

You have to play really well to let the opponent shoot 55% from the field and 67% from behind the arc. We didn't, as the Boshless Raptors got blown out in the 4th quarter. Jose had 16, Rasho notched 13 and 12, and Maceo Baston had 1

Fun Facts

Kyrylo Fesenko has a 9'4" standing reach, the same length as Greg Oden.

Paul Millsap's high school mascot was the Kitten. And not even a Fightin' Kitten.

Jarron Collins' twin brother Jason plays in the NBA as well. Both are terribly awful.

The Raptors are better because...

...we're finally Sam Mitchell free!
